

CARBIDE BORING BITS

CARBIDE TIPPED SUPER PRECISION

3-1/2" OAL, 3/8" SHANK

Made in Germany

NEW

Carbide Spur

Carbide Center Cutter

Two diamond ground spurs and one central cutting edge cut effortlessly through hard, soft and knotted wood, laminates, fiber-board and chipboard. Short centering point ensures accurate, cylindrical holes. Ideal for window installers, carpenters and joiners. Works extremely well in abrasive materials.

5 PC. SET IN WOODEN CASE
